We have developed our own global sourcing relationships with End Users, independent distributors, auction houses, asset recovery companies, independent contractors and procure our equipment through such sources. PLC Hardware sells hardware products only and does not resell software licenses. Some hardware products may contain software and may not be legally operated without first purchasing a proper software license from the manufacturer of such products. PLC Hardware respects intellectual property of others, and we ask our customers to do the same. Customer acknowledges and agrees that PLCH does not provide any operating system software or software righttouse licenses with the products it sells. Customers understand and agree that proper software licensing, software maintenance and upgrades are subject to applicable manufacturers Software Licensing Agreement. Customer shall be solely responsible for obtaining proper software licenses for applicable products from the manufacturer. As PLC Hardware is not an Authorized Distributor of the products, manufacturers warranties may not apply. Customers must check manufacturers website for further information.
