0 out of 5 stars Price was fair. I was told by the shipper his wife threw out the one I ordered via an email. On line when I ordered it stated 9 available. I did accept a replacement. Item was shipped in a fair time. Unit works fine. I could have going to a yard sale and purchased the same item and paid no shipping. It did not come with paper as shown. I will be more careful when ordering in the future from Amazon. Over all thanks for asking. As I marked above with the rating its ok TerryDied on the 74th day of use.
