All ORPs are prices supplied by the manufacturer or retailer of the item at the time of the items original sale, and therefore such ORPs may not be current at the time of the online auction of the item. Graysonline takes no responsibility for the display of ORPs on

any item it offers for sale at an online auction on its site, and hereby advises all bidders to satisfy themselves as to the value of the item being auctioned. There are some exceptions to this, however, if there are any successful bids on a particular lot within 10 minutes of the close of the online auction the "Going, Going, Gone. There is no limit to the number of times an online auction can be extended. This makes graysonline work more like a live auction where the bidding doesn't stop as long as there is still interest in the product, rather than assigning an arbitrary cutoff time.

This means it is a good idea to watch the action as the auction nears closing time and to check back often. Bids on assets in this sale should be made based on your inspection and assessment of the goods. If you are unsure do not bid as no refunds will be given. If you intend to send a third party to collect your goods on your behalf, you need to send them with a copy of your winner's email along with a photocopy of your photo ID and signed note of authority permitting staff to release your purchases to the third party. Please Note Packaging and collection of assets is the responsibility of the purchaser. Delivery is not available. Items must be inspected before removal from site as refunds or exchange are not given under any circumstances. GraysOnline will provide Safety information relating to the condition of the item of plant for sale Plant Hazard Reports Clear identification and marking to identify that the plant item is only suitable for scrap or spare parts Site Access, PPE and Removal of Plant requirements are listed under the Inspection and Collection Headings. Please note Persons under the age of 15 years will not be permitted onsite. Tradespeople eg; electricians, plumbers etc will be required to produce the relevant licence before commencing work on site. Riggers, Forklift and Crane Drivers etc will be required to produce the relevant license before commencing work on site. It is a condition of entry to site that all visitors comply with any directions given by Grays NSW Pty Ltd staff or their representatives.
