Book Descriptions:

Dse F8140 Manual

Can you please advise on how to leave a recorded message. Thanks Con Katt Your recording will be played back to you. Hope that helps! Lcon Team Login to post THanks. Sarah I have lost my instructions. Record your message at the beep. Release the button when done.Space is limited. After you delete a message to make room and newThat is what I read on the manualI hope I am wrong.Mine was lost during a power outage. Help! Hope this helps, Tom S.There is nothing bout recovery of factory messages. If you recorded your own, try deleting it. Or unplug the base from power and try a reset. This is from the manual. At the end, I gave you a link to the manual. Using a prerecorded greeting message. If you erase or do not record your own greeting message, the unit plays a prerecorded greeting message for callers and asks them to leave messages. If the message recording time page 39 is set to "Greeting only", caller messages are not recorded and the unit plays a different prerecorded greeting message asking callers to call again. THanks. Sarah How do I add or edit directory Answer questions, earn points and help others. Your recording will be played back to you. Hope that helps! Lcon Team Login to post Cheers. Sue Im assuming their lines of digital photo frames work quite similar to one another and this may help you out. I cannot work out how to use remote to do IR remote learning.Can you please advise on how to leave a recorded message. Thanks Con Katt Your recording will be played back to you. Hope that helps! Lcon Team Have you had a problemNot sure about sound. This device has a bn950085A T Con board. I was wondering whether there are other options What is the fault and what should I do. Thank you. Answer questions, earn points and help others. Any c hance you could lead me in the right direction.
