Book Descriptions:

british military training manuals

Get special offers emailed to you weekly and stay up to date with the latest specialist military publications. By the end of the conflict, after Kitchener's call for volunteers and finally conscription had scoured the nation for men, millions had served. To turn these civilians into soldiers, and to teach the new tactics and weapons that the war produced, the Army produced a hail of manuals, textbooks and instructions, many of which are only available from the Naval and Military Press. No. 1. October 1917. No. 2. November/December 1917 The price you see on the web page is the price you pay. Get special offers emailed to you weekly and stay up to date with the latest specialist military publications. So, whether your interest lies in the infantry and cavalry tactics of the earliest regiments of the British army in the 18th century, or the weapons manuals and firing instructions of 20th century warfare, the Naval and Military Press has the right book for you. The price you see on the web page is the price you pay. General Staff, War Office. Corrected to April 15, 1917 Changes Nos. 1 to 18. See illustration on our website. See illustration on our website. See illustration on our website. See illustration on our website. Army field manuals and Land Operations manuals are arranged in volume or part order. Doctrinal publications, Standing Operating Procedures and other publications are in chronological order. Requests to publish original material should be submitted to the Trustees of the Liddell Hart Centre for Military Archives, attention of the Director of Archives and Information Management. This collection will have an emphasis on Army doctrine. The publications in this collection are no longer current doctrine or current operating procedures. They are presented here for their historical value. <http://bikidi.com/UpFiles/WebEditorFiles/cub-cadet-cc-500-bat-manual.xml>
