Please try your search again later.The ASAP 104 from Command Communications offers 35 powerful, technically advanced programmable features for custom applications. The ASAP 104 offers true 4port, automatic telephone line sharing and is compatible with telephone company services such as Distinctive Ring, Voice Messaging and Caller ID requires service activation. The ASAP 104 allows emergency call interruption of data calls when used with the ASAP Dispatcher DP1 or call conferencing. Install at the DEMARC or connect it directly to a telephone extension outlet. Once installed, the ASAP 104 prohibits incoming calls from direct access to any connected device unless Caller ID is on. The ASAP 104 will answer the call on the first ring. Once the call is answered, the ASAP 104 listens for call routing signals. Applications include homes, home offices, small offices, and large offices. Command Communications offers a tollfree ASAP HighPriority Technical Services team for immediate help; the company can even program the unit for you remotely. The units wallmount case includes 4way linecord guides, while a supplied mountingaccessories kit ensures a clean installation. Its also ADSL compatible, though please note this requires two 8k inline microfilter phone filters, sold separately.To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzes reviews to verify trustworthiness. We are continuously working on improving our website and reserve the right to change specifications, availability, and pricing without prior notice. The ASAP 102 offers powerful, technically advanced programmable features for custom

applications.

The new wallmount case with 4way line cord guides and mounting accessories kit assure a clean installation every time. Applications include homes, home offices, small offices and large offices.Then they will route the call to the correct device fax machine, modem, telephone or other automatically.This switch is designed so that 8 modems can access 1 to 4 lines outbound, and 4 computers can be accessed inbound. The switch is stackable to any size you want. You can double the amount of computers by using isolator switches or by looping switches together. Share any combination of devices like, telephones, answering machines, fax machines, data equipment, ATMs, and remote monitoring and control equipment. Stackable to any size you want.No transfer tone needed There is no other switch like this anywhere. No transfer tone needed No transfer tone needed Choose Office or Home mode phone company Voice Mail and Caller ID required Choose Office or Home mode Phone company Voice Mail and Caller ID required If you want to receive the call, simply pick up the phone receiver and HotCall interrupts the modem connection and instantly connects you to the caller. Plus, if your call is only a few seconds long, it may be possible to maintain your modem connection. The unit routes inbound signals to the appropriate device automatically. Unit is compatible with telephone company calling features like voice mail and caller ID, and works with most lightstrobe alerting equipment. One year manufacturers warranty. Now you can enjoy all the benefits of a modem or fax without the additional telephone line charges. Vikings Fax Switches pay for themselves in just a few short months. Depending on the number of 4x4 scanners used, 4, 8, 12, 16, 20 or more modems, credit card readers, faxes, phones,etc., can share 1 to 4 telephone Centrex, C.O. or PABX lines. When any connected telecom device goes off hook, the LS4x4 scans for an open line and sends the call out.

If no lines are available, the user recieves a busy signalcompatible with voltage sensitive credit card readers. On incoming calls, each of four lines can be programmed to ring a specific device. Power supply included. It is even compatible with virtually all multiline KSU and PBX phone systems. We specialize in businessWe also carry a full line of all consumer communications equipment. All orders, small or large, are welcomed with no minimum order requirements. All proceeds from the operation of this site are donated to veteran and other charities. Failure to attend a mandatory counseling session may constitute a violation of Article 86 of the Uniform Code of Military Justice UCMJ. Identify Soldiers who cannot be rehabilitated within the scope of this regulation and to advise their unit commanders. Assist and refer Soldiers who cannot be rehabilitated in the ASAP to a treatment facility in the vicinity where they reside after discharge from the Army. Help resolve alcohol and other drug abuse problems in the family, with the ultimate goal of enabling the Soldier to perform more effectively. However, Soldiers who need additional service time to complete their enrollment may be extended for the number of months necessary to permit completion. Maximize technology and resources, adapt to unique installation requirements, eliminate duplication in service delivery, and measure service effectiveness. Support the enlistment, retention, and transition of soldiers. Provide selfdevelopment opportunities for soldiers and adult family members. Provide selfdevelopment opportunities for DACs. Provide selfdevelopment opportunities for DAC ACES professional and support staff. Family members and civilians may take DANTESSoldiers with a GT between 100 and 110 may beAER provides emergency financial assistance to soldiers active and retired and their families in time of distress. Emergency ReliefMembers of the Reserve Components of the Army Army National Guard and U.S.

Army Reserve on continuous active duty for more than 30 days and their dependents. This applies to soldiers on AD for training ADT or serving under various sections of title 10, United States Code. Soldiers retired from active duty because of longevity or physical disability, or retired upon reaching age 60 Reserve Components and their dependents. Widows ers and orphans of soldiers who died

while on active duty or after they retired. AER Assistance will meet your emergency need. What does this mean for the Soldier Create a climate that encourages victims to report incidents of sexual assault without fear. Establish sexual assault prevention training and awareness programs to educate Soldiers. Ensure sensitive and comprehensive treatment to restore victims' health and wellbeing. Ensure leaders understand their roles and responsibilities regarding response to sexual assault victims, thoroughly investigate allegations of sexual assault, and take appropriate administrative and disciplinary action. Alleged Perpetrator One who has been accused of committing a crime subject. Perpetrator . One who has committed a crime offender. It degrades mission readiness by devastating the Army's ability to work effectively as a team. Every Soldier who is aware of a sexual assault should immediately within 24 hours report incidents. Sexual assault is incompatible with Army values and is punishable under the Uniform Code of Military Justice UCMJ and other federal and local civilian laws. The Army will use training, education, and awareness to minimize sexual assault; to promote the sensitive handling of victims of sexual assault; to offer victim assistance and counseling; to hold those who commit sexual assault offenses accountable; to provide confidential avenues for reporting, and to reinforce a commitment to Army values. The Army will treat all victims of sexual assault with dignity, fairness, and respect.

The Army will treat every reported sexual assault incident seriously by following proper guidelines. The information and circumstances of the allegations will be disclosed on a needtoknow basis only. This policy applies— Both on and off post and during duty and nonduty hours. To working, living, and recreational environments including both on and offpost housing. Publish and post written command policy statements for the prevention of sexual harassment. Continually assess and be aware of the climate of command regarding sexual harassment. Identify problems or potential problems. Take prompt, decisive action to investigate all complaints of sexual harassment. Either resolve the problem at the lowest possible level or, if necessary, take formal disciplinary or administrative action. Do not allow Soldiers to be retaliated against for filing complaints. Continually monitor the unit and assess sexual harassment prevention policies and programs at all levels within area of responsibility. Ensure all leaders understand that if they witness or otherwise know of incidents of sexual harassment, they are obligated to act. If they do not, they themselves are also engaging in sexual harassment. Set the standard Any person in a supervisory or command position who uses or condones implicit or explicit sexual behavior to control, influence, or affect the career, pay, or job of a Soldier or civilian employee is engaging in sexual harassment. Similarly, any Soldier or civilian employee who makes deliberate or repeated unwelcome verbal comments, gestures, or physical contact of a sexual nature is engaging in sexual harassment. This document is required of all Army organizations, commands,agencies, and activities down to brigade or equivalent level. It is designed to achieve EO for all military personnel. The AFAP provides a means for Army constituents to address and report issues of wellbeing concern to leadership at regular intervals.
